**PETITION FOR RECONSIDERATION OF THE DECISION OF THE
TELECOMMUNICATION ACCESS POLICY DIVISION,
WIRELINE COMPETITION BUREAU BY
MEMPHIS CITY SCHOOL DISTRICT**

Memphis City School District, pursuant to Section 1.106 of the Commission's rules¹, hereby submits its Petition for Reconsideration of the dismissal Order ² issued by the Telecommunications Access Policy Division, Wireline Competition Bureau regarding the district's Request for Review of the decision of the Universal Service Administrators Year 2002 Funding Decision.³

¹ 47 C.F.R. § 1.106.

² ORDER, DA 03-3525, by the Telecommunications Access Policy Division, Wireline Competition Bureau, File No. SLD- 331487, Adopted: November 4,2003, Released: November 5,2003. See Attachment 1.

³ Universal Service Administrative Company, Schools and Libraries Division's "Funding Commitment Decision Letter (Funding Year 2002: 07/01/2002 – 06/30/2003) " Re: Form 471 Application Number: 331487 dated March 24, 2003.

I. FACTUAL BACKGROUND

Memphis City Schools requested a Commission review of the March 24, 2002, Funding Commitment Decision Letter issued by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company. This request for review was dismissed by the Telecommunications Access Policy Division, Wireline Competition Bureau with an indication that " ...Memphis City filed its appeal on May 27, 2003, after the 60-day period, in contravention of our rules...." Memphis City Schools contends that this dismissal was in error, and that in fact the official request for review, was received within the allowable 60-day period by the Office of the Secretary, Federal Communications Commission on Friday May 23, 2003. Attachment 2 demonstrates the determination of the 60-day appeal period in question.

II. REFUTE REASON FOR DISMISSAL

On Thursday May 22, 2003 Memphis City Schools via commercial overnight mail, shipped our Request for Review to the following:

- A. Office of the Secretary, Federal Communications Commission
- B. Chief, Wireline Competition Bureau
- C. Deputy Chief, Wireline Competition Bureau
- D. Deputy Chief, Telecommunications Access Policy Division
- E. Vice President and General Counsel, Universal Service Administrative Company

The official Request for Review to the Office of Secretary, Federal Communications Commission was in fact delivered on Friday May 23, 2003 at 9:41 AM and signed for by R. Edmonds. Documentation of this delivery is found in Attachment 3.

Attachments 4-7 document the delivery of the informational copies of this Request for Review. Perusal of these attachments will show that the copy to the Vice President and General Council, Universal Service Administrative Company was also delivered on Friday May 23, 2003.

The remaining three copies, all being delivered to 236 Massachusetts Ave, NE Suite 110, Washington, DC 20002, show that Federal Express attempted to deliver these documents twice on Friday May 23, 2003. The first attempt at 10:09 AM indicates a "Recipient location security delay. Delivery will be reattempted." The second attempt at 12:01 PM shows the "Shipment refused by recipient". In a notice dated May 23,2003, see Attachment 8, by the Secretary of the Federal Communications Commission possibly sheds some light on why these deliveries were refused. This notice states:

"...Due to the elevated homeland security alert announced May 20,2003, the FCC has taken additional security precautions that will limit visitor access to the FCC headquarters building in Washington, DC...."

Since these three documents were apparently refused due the security alert, they finally were delivered after the holiday on May 27,2003.

III. CONCLUSION

Unfortunately, confusion surrounding the actual date of receipt of Memphis City Schools' Request for Review was created by the fact that the informational copy sent to Mark Seifert, Deputy Chief, Telecommunications Access Policy Division was one of the copies refused. As a result he dismissed the Request for Review because "...Memphis City filed its appeal on May 27, 2003, after the 60-day period, in contravention of our rules...."

As indicated in this petition and proven in Attachment 3, the official Request for Review was received by the Office of the Secretary, Federal Communications Commission on May 23, 2003, which was within the 60-day period required. Therefore we respectfully request reconsideration of the decision of Order DA 03-3525 and resumption of our Request for Review of the decision of the Universal Service Administrators Year 2002 Funding Decision.

Respectfully submitted,

By:
